

Mid-Town Beach Renourishment Project

View of completed sections of the Mid-Town Beach Renourishment Project (between Sunset Avenue and Atlantic Avenue).

A bulldozer builds a dike near Wells Road to contain new sand to be pumped from the dredge.

Reaches 7 and 8 Beach and Dune Truck Haul Project

Sand from Mid-Town Beach near Via Marina is being excavated from the existing beach for hauling to Phipps Ocean Park. This beach is to be completely restored in the next two months.

02/04/2015

The beach and dune near the Old Ocean Blvd. seawall are being restored with sand from Mid-Town Beach.
