24. **The following regulations apply to all Auctions held within the Town as per Section 94.36 of the Town Code of Ordinances:**

- (1) The applicant has agreed in writing to abide by all provisions set forth in this article.
- (2) All required information is set forth in the application and is in accordance with all provisions set forth in this article.
- (3) The concentration of persons and vehicles at assembly points of the auction location will not interfere with the proper fire and police protection of or ambulance services to areas contiguous to such assembly points of the auction as determined by the Director of Public Safety or his designee.
- (4) The conduct of the auction will not interfere with the movement of police and fire rescue vehicles and equipment en route to a fire or the movement of emergency medical services equipment en route to an emergency as determined by the Director of Public Safety or his designee.
- (5) The conduct of the auction will not substantially interrupt the safe and orderly movement of pedestrian or vehicular traffic contiguous to the place of the auction as determined by the Director of Public Safety or his designee.
- (6) The conduct of the auction will not result in damage to town-owned property as determined by the Director of Public Works or his designee or constitute a hazard to the safety of other persons within the immediate vicinity of the auction as determined by the Director of Public Safety or his designee.
- (7) No event or auction is scheduled elsewhere in the town where the town's resources required for that event or auction are so great that the deployment of resources for the proposed auction would have an immediate and adverse effect upon the welfare and safety of persons and property as determined by the Director of Public Safety or his designee.
- (8) The auction will be conducted within a commercial zoning district of the town.
- (9) The auction will be conducted by a licensed auctioneer.
- (10) The goods or services to be auctioned shall be the same or similar to the licensed use of the facility within which the auction is to be held as determined by the Director of the Planning, Zoning and Building Department, or his designee, in the permit application review process. For example, a licensed real estate office would be eligible to conduct an auction of real estate, but not jewelry. Likewise, a licensed jewelry store would be eligible to auction jewelry, but not real estate.
