THE TOWN OF PALM BEACH APPLICATION FOR EMERGENCY RE-ENTRY LIST PROGRAM

OUT-OF-TOWN RESIDENT & BUSINESS OWNERS

The Town Emergency Re-Entry List Program is designed to assist our out-of-town residents/owners/lease holders, business owners or property representatives in gaining access to the Town after an emergency (e.g. hurricane) event. You MUST have a government issued I.D. to be placed on this re-entry list.

Those with a Florida driver's license that have a Town address do not need to complete this, unless they wish to place a property representative on the re-entry list.

After your application is submitted your name will be placed on an approved Emergency Re-Entry list that will be verified by an officer at designated re-entry checkpoints after an emergency. For security reasons, you will still be required to stop and present government issued I.D. at checkpoints. Completed forms and attachments can be e-mailed to: TCR@palmbeachpolice.com or mailed to the address below:

HURRICANE SERVICE: Emergency Re-Entry List Program registrations cease two (2) days before landfall. Regular service will resume sometime after the storm as conditions permit.

- 1. Each storm/emergency presents a variety of access and safety issues which can only be determined after the event has occurred. The Town of Palm Beach will determine when the police may allow residents and workers back onto the Island.
2. At the time of application for the Emergency Re-Entry List Program you must present documents proving you are a Town of Palm Beach resident. Acceptable documents of proof include: court registered mortgage documents, deed, condo contracts, trust documents or lease agreements. This does not apply to hotels or short term rentals.
3. The participating resident, business owner or property representative must provide valid government issued identification. Acceptable identification: photo I.D., such as a driver's license, state identification card or passport.
4. Make a copy of the completed form for your records.
