## PUBLIC SAFETY TIPS

### **Back-to-School**

- **Slow down.** Drivers need to be focused on their driving to insure that our youngest citizens are safe in their neighborhoods and near their schools.
- **Talk with your neighbors** about watching out for all the kids in the neighborhood.
- **Near schools, look for school crossing guards.** Be sure to obey their directions. For the crossing guard's safety, allow him/her to safely get to the side of the road before driving ahead.

- **Set ground rules** with your child/children about safe places to play in your neighborhood. Avoid playing in the street.
