# NIGHTINGALE TRAIL AND LA PUERTA WAY

## UNDERGROUNDING OF UTILITIES

# SCHEDULED TO COMMENCE

Your property is part of the Nightingale/La Puerta undergrounding of utilities project that is scheduled to begin this coming week. Residents in the Project Area were surveyed to confirm their interest, and a significant majority reapproved

the utilization of the special assessment process for funding the neighborhood undergrounding project. The cost of the special assessment will be spread out over 20 years.

This is a private neighborhood project and is separate from the undergrounding project that was approved in the 2016 Town-Wide referendum.

### Project Schedule

[October 2016 - October 2017]

The work required to underground utilities will be completed in phases. There will be an onsite project manager who will coordinate directly with you as each project phase moves toward your property.

## Phase 1

Oct. 2016 – March 2017

### CONDUIT AND INFRASTRUCTURE INSTALLATION

The first phase will be the most intensive with conduits installed and drainage and watermain work completed.

### PHASE 2: CABLING AND EQUIPMENT INSTALLATION

### PHASE 3: SERVICE TRANSFER TO UNDERGROUND

EST. DATE  
END SEPT.  
2017

### PHASE 4: UTILITY POLE AND OVERHEAD WIRE REMOVAL
